# Ideas for practical kitchens

## What makes kitchens practical?

Kitchens have to prove themselves during everyday activities for up to 20 years or more. A well equipped kitchen can lessen the workload and support kitchen users in their daily tasks. Blum requirement research has shown that practical kitchens have three essential features: simple workflows, optimal space usage and top quality motion. In short, workflow, space and motion.

## DYNAMIC SPACE delivers ideas for practical kitchens.

Well designed products such as ORGA-LINE bring high levels of functionality to every kitchen. ORGA-LINE inner dividers and containers organise interiors ensuring clear visibility of all drawer contents. Our experience and research data can provide helpful insights during the kitchen planning phase. Be inspired!

Blum's DYNAMIC SPACE – “ideas for practical kitchens” provides useful ideas and tips to help you create your own ideal kitchen. In general, it is based on three key ideas:

ORGA-LINE  
film dispenser

ORGA-LINE  
for pots and lids

ORGA-LINE  
for plastic containers

ORGA-LINE  
for cutlery

ORGA-LINE  
for bottles and cutting boards

ORGA-LINE  
plate holder

ORGA-LINE for waste/recycling separation  
and cleaning agent storage

ORGA-LINE  
knife holder

Well separated: Flexible lateral dividers can be adjusted to the individual item that needs to be stored.

Excellent storage:  
With ORGA-LINE, every item has a secure location.

Well organised:  
ORGA-LINE containers can be arranged as desired.

## ORGA-LINE for drawers

ORGA-LINE containers or flexible utensil dividers can be arranged as required, depending on the items being stored. Cutlery and so much more stay perfectly organised in the high quality, hygienic stainless steel trays. The containers are removable and dishwasher safe. Suitable to be used throughout the home, not just the kitchen.

Available in container, utensil dividers and combination sets.
