WARDROBE & LIVING

WILSON & BRADLEY

In this brochure you will find the latest range of wardrobe and living space solutions available at Wilson & Bradley.

Featuring products from a range of established brands such as Blum, Cinetto, Cosma, Peka and L&S Lighting - there is an array of design solutions suitable for use throughout wardrobe and living spaces in your home.

TECHNICAL INFORMATION

Throughout the brochure, you will see a range of QR codes. Scanning these will take you to the corresponding web page that will provide all of the required technical information needed to help plan your design.

OUR BRANDS

wilson
&bradley

Founded on the principles of quality design and great customer service, Wilson & Bradley has been sourcing, distributing, and supplying quality cabinet hardware and design solutions across Australia for over 40 years.

Wilson & Bradley prides itself on providing customers with a diverse selection of kitchen and cabinet hardware backed with the best service.

The product portfolio covers many premium, well established brands from around the world including Blum, Cinetto, Cosma, Peka and OPK.

OUR BRANDS

Founded over 60 years ago by Julius Blum, Blum is well-known and valued as an innovative family-owned company that operates on an international scale.

Founded in Italy in 1948, Cinetto has grown from a small hardware shop to become one of the world's leaders in the production of sliding systems and designer aluminium profiles.

Since 1955, Cosma has provided high-quality products, creativity and innovation based on a close relationship with designers and manufacturers.

Established in Switzerland in 1964, Peka has been developing and manufacturing pull-outs, accessories and smart interior solutions for the kitchen and furniture industry for over 50 years.

Crafted in Denmark, Furnipart has more than 30 years experience designing, developing and supplying premium designer handles.

Founded in Italy in 1977, L&S are an industry leader in the interior lighting sector. Since their inception, L&S has grown a strong reputation in the global LED lighting sector.

Established in 1977, Ambos products are planned, designed, built, and assembled exclusively in Italy.

Cowdroy is one of Australia's leading manufacturers of track and seal products across residential and commercial properties.

Exclusive to Wilson & Bradley, the OPK sliding door range offers exceptional quality and design.

Since 1993, German designer and manufacturer Knoke have secured their foundations by consistently providing quality products, services and communications.

Life cycle tested to provide ongoing excellent performance, Kia Ora products are designed to provide years of reliable service throughout the home.

BLUM

Founded over 60 years ago by Julius Blum, Blum is well-known and valued as an innovative family-owned company that operates on an international scale. Blum solutions make opening and closing furniture a mesmerising experience and deliver

quality of motion and enhanced user convenience to the entire home in particular to kitchens. Blum's lift, hinge, box, and runner systems and four different motion technologies bring enhanced user convenience to the entire home.

BOX SYSTEMS

Blum's box systems offer a wide range of design possibilities and meet the different design demands placed on furniture. They boast a feather-light glide, enhanced ease of use, top quality motion and beautiful design.

LIFT SYSTEMS

Blum's AVENTOS lift systems inspire and bring ease of motion to any wall cabinet by combining high functionality with a simple yet elegant design. The complete AVENTOS range fulfills many different designs and functional demands placed on wall cabinets in kitchens and living areas throughout the home.

HINGE SYSTEMS

Blum's extensive hinge program offers a solution for any cabinet door, blending harmoniously into the furniture interior.

MOTION TECHNOLOGIES

Blum offers a range of options for designing handle-less doors, lift systems and pull-outs with a high quality of motion. BLUMOTION, SERVO-DRIVE, TIP-ON and TIP-ON BLUMOTION make different levels of convenience possible with handle-less furniture.

CINETTO

Founded in Italy in 1948, Cinetto has grown from a small hardware shop to become one of the world's leaders in the production of sliding systems and designer aluminium profiles.

Using the most advanced production techniques, their history of manufacturing quality products allows them to develop products that not only look great but function effortlessly too.

The Cinetto range also includes industry leading technology in B-moved, for electrical opening and closing of doors. B-moved ensures silent and safe movement of doors, and is equipped with wave sensor and remote control capabilities. It is also smart home compatible, allowing you to control your doors at the click of a button or even via voice commands.

LIBRO MAXI (PS11)

The Cinetto LIBRO MAXI Sliding Bi-fold system is a quality, Italian system with performance that exceeds other systems in the market.

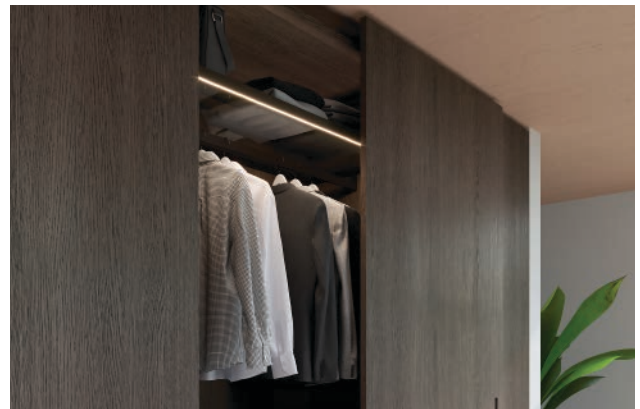

IDEA (PS22)

The Cinetto IDEA is a one-way sliding system that can be applied to the front of a diverse range of applications.

LIBRO (PS23)

The Cinetto LIBRO Bi-fold door system, with its premium Italian design, creates a statement when added to any setting.

PIANO (PS40)

The Cinetto PIANO Coplanar system is 100% customisable. Thanks to the mechanism that incorporates all of the movements, the track can be cut to size according to the projects needs.

VOLO (PS48)

Exclusive to Wilson & Bradley, the Cinetto VOLO sliding system for overlapping doors, provides an industry standard in terms of quality Italian design.

AGILE (PS60)

Exclusive to Wilson & Bradley, the Cinetto AGILE floor sliding system presents another premium Italian design solution.

COSMA

Since 1955, Cosma has provided high-quality products, creativity and innovation based on a close relationship with designers and manufacturers. Cosma offer a wide range of products characterised by a high design and production standard.

Their products are suitable for different tastes, from classic to modern with the range including rail systems, wardrobe rails and accessories as well as shelving systems.

FLAG

The Cosma Flag is a modular and customisable system made entirely of aluminium. Minimal and elegant, it can raise the quality and the image of kitchens, living rooms and bathrooms.

What makes it unique is the ability to adapt itself to different needs by changing the position of the shelves and of the accessories.

SYSTEM 16

The Cosma System 16 is a system of modular structures designed to integrate, complete and create stylish environments within homes.

INTERNA

With an anti-slip insert that prevents clothes from sliding and scratching the rail, the Interna is available in Matt Black and Anodised Aluminium and makes a stylish addition to any design.

PEKA

Consisting of a few simple but highly versatile components that can be combined in an infinite variety of ways, the Pecasa system makes an elegant addition to any room.

Pecasa's stylish design and outstanding flexibility make it a winning solution for living areas, offices, bedrooms, wardrobes, or hallways.

PECASA

Pecasa is the latest shelving system from Peka. Consisting of a few simple but highly versatile components, the Pecasa system can be combined in an infinite number of ways to create custom storage solutions throughout the home.

The system is built around a central wall profile to which shelves and storage cabinets can be attached in any configuration.

OPK

Exclusive to Wilson & Bradley, the OPK sliding door range offers exceptional quality and design. Purpose engineered for easy installation and premium style to suit a variety of spaces throughout the home.

The OPK range features advanced product design that seamlessly blends style and function for superior performance in all requirements.

NAVIGATOR

Incorporating an industrial look and smooth functionality, the OPK Navigator is a stylish barn door featuring robust steel components combined with large, high density rollers.

It is not only smooth and effortless to roll but is extremely quiet in performance making it an ideal room divider for bathrooms, ensuites, laundries, bedrooms, hallways and other living spaces.

COAST

Exclusive to Wilson & Bradley, the OPK Coast system is a top hung sliding door system that delivers a seamless smooth engineered performance designed to suit residential spaces.

TRAKS

Designed with customisable roller options, the OPK TRAKS range features a refined minimalist appearance that caters to a wide range of designs, rooms and style requirements.

CRUZE

Designed for residential spaces, the OPK Cruze sliding system seamlessly integrates the benefits of soft-open/soft-close technology with opening and closing doors with an anti-jump functionality device.

SAILING

The OPK Sailing is simple and easy to install. This versatile bi-fold door system is ideal for cabinets and wardrobes and can be configured in a variety of different combinations.

L&S LIGHTING

Founded in Italy in 1977, L&S are an industry leader in the interior lighting sector. Since their inception L&S has grown dominate in the LED lighting sector in both Italy and across the globe due to their advanced technical knowledge, stringent quality control and mission to always bring new and innovative products to the market.

The L&S Lighting range consists of the top of the line LED strip lighting range, available in many styles and colours to suit any space. Also available is the 12V range of LED Downlights, available in many applications and control options including the L&S Emotion range. Our most recent addition to the range is the convenient L&S Mini Octopus Flexible Silicone Strip Lighting (shown above).

STRIP LIGHTING

Perfect for use in both residential and commercial applications, the L&S strip lighting range is an extremely innovative and functional way to add an extra touch of elegance to any space.

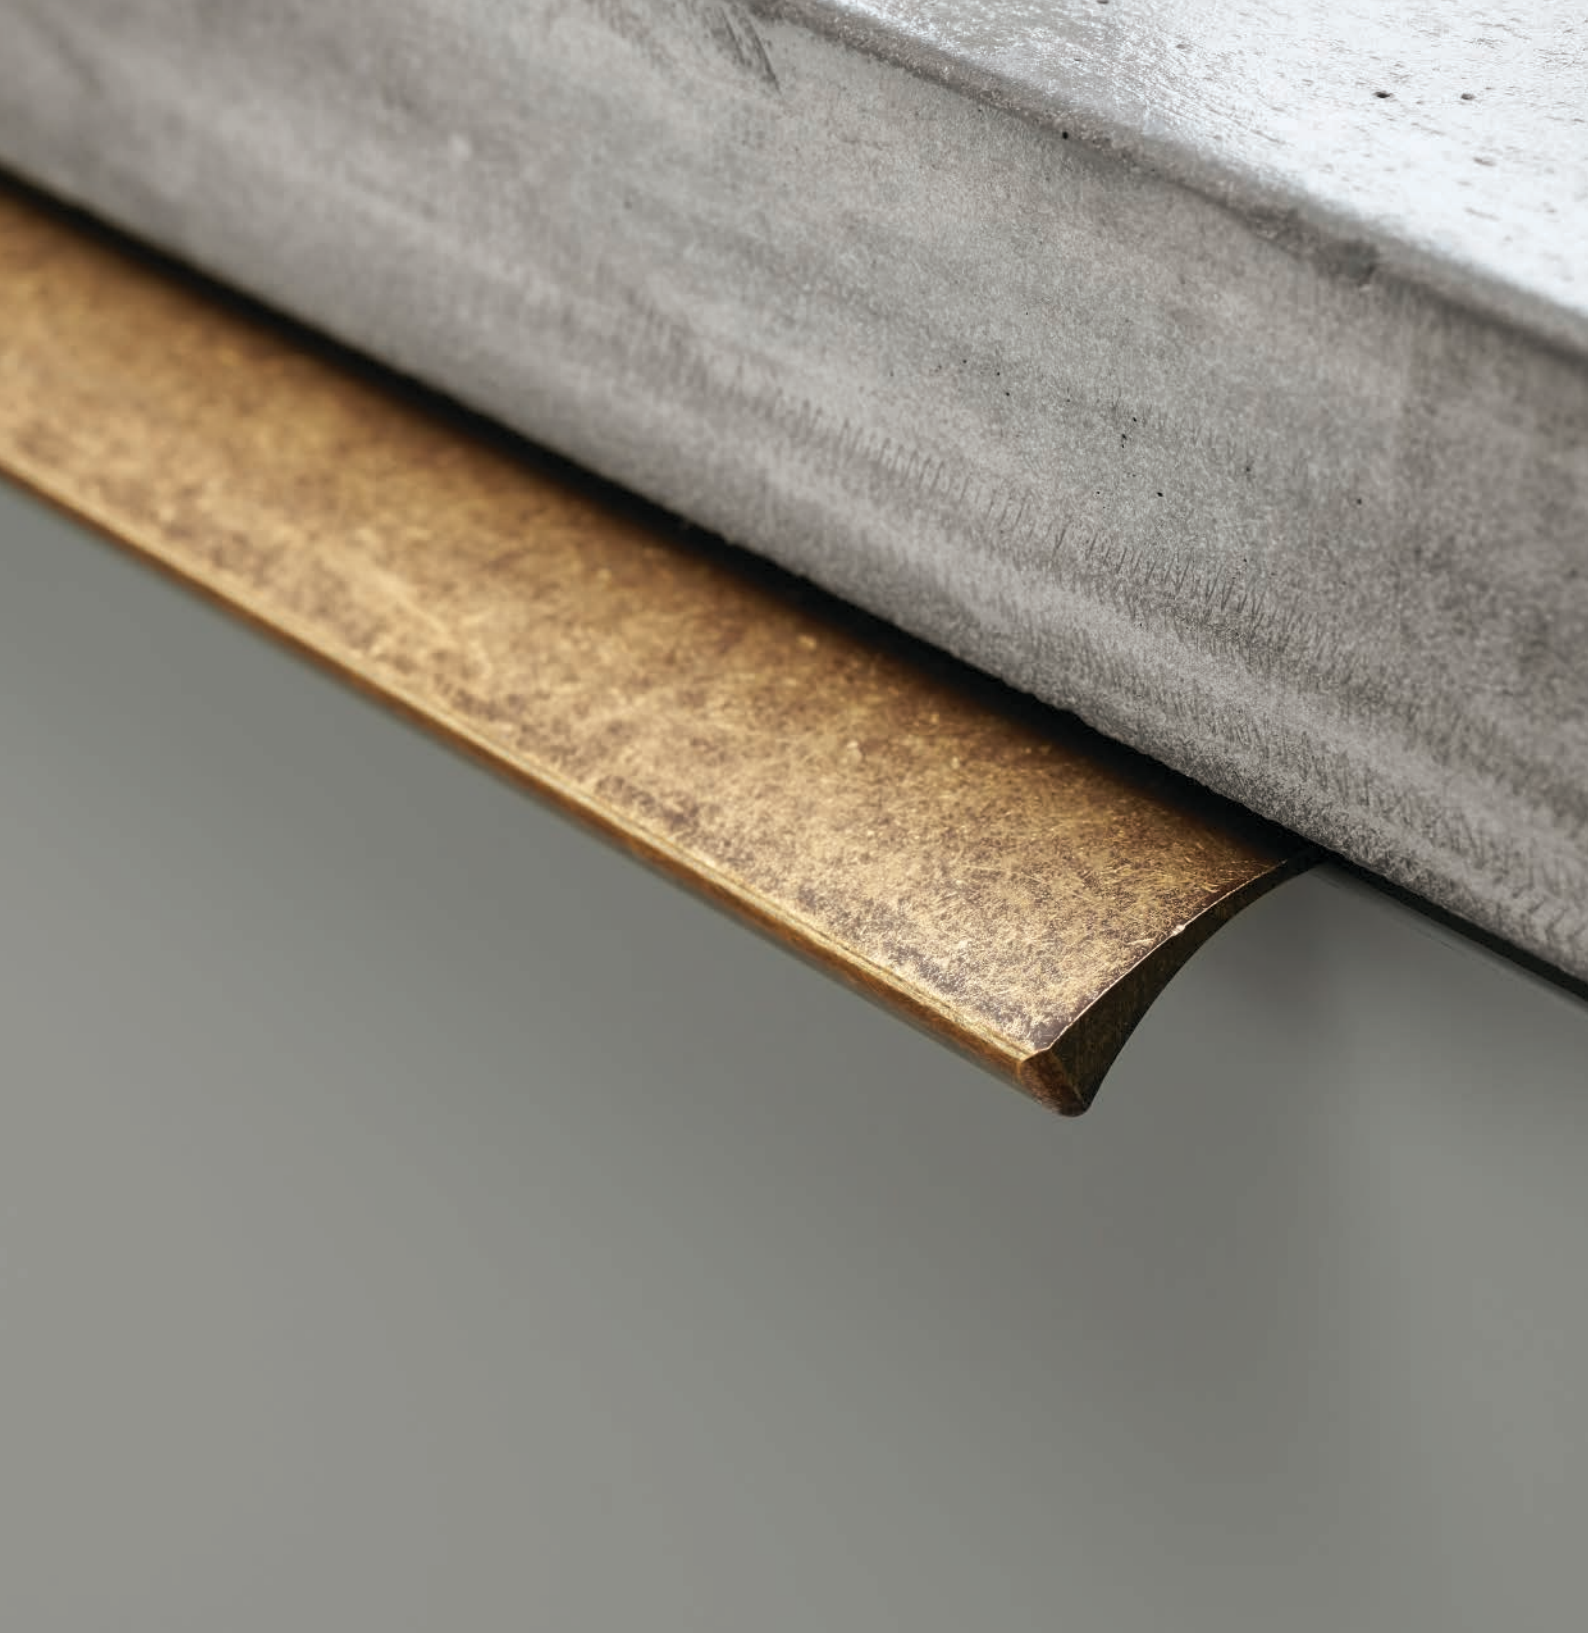

Commonly used for accent lighting in kitchens, L&S LED strip lighting can easily be incorporated into the design of an existing kitchen and other rooms throughout the home.

DOWNLIGHTS

Exclusive to Wilson & Bradley, L&S has a wide range of 12V LED downlights that are ideal for use for residential lighting applications.

The L&S range of downlights offer a great lighting solution for any room with either standard or emotion lighting solutions available.

FURNIPART

Crafted in Denmark, Furnipart has more than 30 years' experience designing, developing and supplying premium designer handles. The philosophy of Furnipart is one of freedom and

personal expression. Furnipart designs provide an elegant, modern, and bold aesthetic with a diverse selection available to explore.

TRADITIONAL

COWDROY

Cowdroy is one of Australia's leading manufacturers of track and seal products across residential and commercial properties.

With an emphasis on innovative research and development, Cowdroy has achieved the highest standard with its products and will continue to maintain that excellence in the future.

TRIUMPH

The Cowdroy Triumph folding door track system uses a wrap around track. It also features a four-nylon tyred, fully sealed ZZ ball bearing carriage for quiet and smooth operation.

CABINETMAKER

With a concealed fix bottom snap track, reversible headguide and slimline aluminium extrusions, the Cabinetmaker provides an upmarket look to complete your cabinet doors at an affordable price.

OVERLAY BI-FOLD

Cowdroy's Overlay Bi-Fold door track system is designed for wardrobe doors, large cupboard doors, pantries, closets and concealed rooms in confined areas such as laundries.

EXPOSED 90

Cowdroy's Exposed 90 sliding door set is designed to add a special, sleek touch to the home or office. Incorporating a stylish industrial look and smooth functionality, it will modernise ordinary look doors and doorways.

AMBOS

Established in 1977, Ambos products are planned, designed, built, and assembled exclusively in Italy. Ambos wardrobe lifts allow you to maximise storage space within your wardrobe.

Create more space in your wardrobe with the Ambos pull down range. The Ambos range has the ability to hang items higher than the usual reach, freeing up room below for extra storage. The Ambos range is ideal option for the safe and stylish use of tricky spaces.

SINGLE LIFT

The Ambos Single Lift is a mobile clothes hanging bar for single door cabinets that allows the upper spaces of wardrobes to be used without the danger and inconvenience of ladders and stools.

DOUBLE LIFT

The Ambos Double Lift is a mobile coat hanger, which due to its extreme ease of assembly and good flow, is very versatile and practical.

SUPER LIFT

The Ambos Superlift is the only mobile hanger on the market with adjustable lifting power (up to 20kg), to adapt to the different weight of seasonal clothing.

WALL LIFT

The Ambos Wall Lift is a mobile clothes rail designed specifically for wall mounting. It can be used to fit out wardrobe interiors, storerooms, and shops.

KNOKE

Since 1993, Knoke have secured their foundations by consistently providing quality products, services and communications.

Designed by Knoke in Germany, the Barracuda leads the way in quality hardware design.

BARRACUDA FLAP FITTING

Designed in Germany, the Barracuda is a brake fitting system that features a stainless-steel traction cable for wooden flaps and aluminium frames.

It can be easily mounted under the top panel in cabinets and from there it secures the flap when it is opened or closed with soft braking.

KIA ORA

Life cycle tested to provide years of ongoing excellent performance, Kia Ora products are designed to provide years of reliable service throughout the home.

The Kia Ora range features a range of different products for use throughout the home including a revolving mirror, digital safety drawer and a bi-fold door system.

BI-FOLD SYSTEM

Utilise the full space and potential of your wardrobe with the Kia Ora Bi-Fold door system. A moveable/stackable sliding system,

the Kia Ora bi-fold track system can be used with both glass and wooden doors and has a soft close function allowing for smooth and silent movement.

REVOLVE MIRROR

Exclusive to Wilson & Bradley, the Kia Ora Revolvable Mirror is easy to install and features full extension slides adding a stylish and practical addition to any bedroom.

DIGITAL SAFETY DRAWER

The Kia Ora Digital Safety Drawer offers fingerprint recognition and can hold up to 50 fingerprints and 10 passwords on record.
